

Zenders Cafe & Venue

A EURO-STYLE CAFE AND VENUE IN THE HEART OF THE WAIKATO

Zenders Cafe & Venue

Our Story

IT ALL STARTED WITH A STORY

Zenders Cafe and Venue is a relatively new venture, a young business that opened its doors in December 2018 and that has many aspirations for the future.

Yet, albeit young, its story is rich. Zenders was inspired by a family's story, growing through generations from the last 100 years. A story of experiences, of travel, of family and opportunity.

And now, this story continues. A new generation, bringing together more people for more experiences and more occasions, living to its core purpose of 'making every visit an experience'.
